For the 2015 British Eventing season we have supported the following BE & FEI events for one or more of their fixtures: Aldon International, Allerton Park, Aske International, Belsay, Bishop Burton, Blair Castle, Catton Park, Cholmondeley Castle, Cumwhinton, Eland Lodge, Frickley Park, Hartpury International, Hopetoun International, Hutton In The Forest, Kelsall Hill, Oasby, Osberton International, Richmond, Shelford Manor, Solihull, Stafford, The Festival Of Youth, Warwick Hall, West Wilts, Weston Park International. Many thanks to all the event organisers their teams and other volunteers for their efforts. Letting us camp in some fantastic locations around Britain. The competitors for making the sport and BE for upholding it.

We also supported many other unaffiliated events, and shows for example The Northern Stallion Showcase. These are not included in the statistics shown in the tables below. Figures are approximate.
